Church Planting Missionaries in Argentina

A Month Of Firsts

May was a month of firsts for us. One of the highlights was when we had our first baptism! It was a cold morning but Mariano was so excited to be following the Lord in baptism! We had record attendance that Sunday morning! We also had our first men's meeting. This was a great time and even though the event started out with rain, we still had men attend! We also spent our first night in the house that we just rented. God blessed in each service and in each day and we are thankful for His blessings!

June looks to be a big month for us as well. We will be hanging up banners across the city and starting discipleship with a few families that have been attending the church! We will also have a special Father's Day service. Thank you for your faithful prayers and support!
