New Bible Classes and Family Photo Day

We had a wonderful month of ministry in August, with the highlights being our Kids' Festival and Kids' Day. We had over 100 people come through the Kids' Festival! A supporting church from the States came to serve alongside us, and they were a tremendous blessing. Both the Kids' Festival and Kids' Day were a great success, and we are thankful for all that the Lord did through these special events.

We were also able to begin the new semester at the Bible College. The students are excited to continue learning, growing, and serving in the ministry!

We have two highlight events planned for this month. One is our annual Family Photo Day, which is a great opportunity to invite family members to church who normally do not attend. We will also begin our spring-quarter Bible classes. The men's series will focus on the life of Moses, while the women's series will focus on stories of grace throughout the Bible. These classes will begin this month and continue through December.

We also have a Pastors' Fellowship planned for this month. We are hosting this meeting to encourage our pastors, as well as other pastors from throughout the greater Buenos Aires area. We hold these meetings once a quarter, and we believe they are a great blessing and encouragement to all who attend.

Thank you for praying for us and for faithfully supporting the ministry. We are grateful to be serving and working together with you for God's glory.

In Christ,

Patrick, Leslie, Lily, Piper, Ivy, and Isla Henry
